En cas d'annulation de la vente après l'ouverture des offres,

COMPENSATION TO DIRECT VICTIMS OF UNLAWFUL ACTIVITY
(PARAGRAPH 1 OF SUBSECTION 6 (3) OF THE ACT,
PARAGRAPH 1 OF SUBSECTION 11 (3) OF THE ACT)

Adjudicator

3. (1) The Lieutenant Governor in Council may appoint one or more persons to act as adjudicator of the claims made by direct victim claimants under this Regulation.

(2) An adjudicator shall receive remuneration and expenses as determined by the Lieutenant Governor in Council.

(3) The Attorney General may assign one or more employees of the Ministry of the Attorney General to assist an adjudicator in carrying out his or her duties under this Regulation.

Notice

4. (1) Within one year after the first deposit of money into a special purpose account, the Attorney General shall give notice in accordance with this section.

(2) The notice shall be published in *The Ontario Gazette* and may also be published in any other way or ways that, in the opinion of the Attorney General or his or her designate, will bring the right to make a claim for compensation to the attention of direct victims of the unlawful activity to which the special purpose account relates.

(3) The notice shall,

- (a) identify the proceeding under the Act as a result of which the money was deposited into the special purpose account;
- (b) state that any person who suffered pecuniary or non-pecuniary losses as a result of the unlawful activity in relation to which the proceeding was commenced is entitled to make a claim for compensation;
- (c) describe the steps to be taken to make a claim;
- (d) name the final day for filing, which shall not be earlier than six months after the first publication of the notice in *The Ontario Gazette* or later than nine months after that first publication;
- (e) state that a claim that does not comply with this Regulation will be denied;
- (f) give an address and telephone number to which inquiries about potential claims may be directed;
- (g) give an address where claims should be filed;
- (h) include any other information that the Attorney General considers appropriate.

(4) If the Attorney General or his or her designate is of the opinion, having regard to the number of potential direct victim claimants for compensation from a special purpose account and to the amount available for compensation from the account, that the amount of compensation to each direct victim claimant would be too small to justify the administrative costs of adjudicating the claims, the Attorney General or his or her designate, as the case may be, may decide that no compensation will be paid to any direct victim claimant from the special purpose account and, in that case, the Attorney General shall not give notice in accordance with this section.

Claim

5. (1) A direct victim claimant shall use the claim form provided by the Attorney General.

(2) The claim shall include a description of the claimant's pecuniary losses and documentary evidence of the losses, including receipts and invoices.

(3) If the claim is also for non-pecuniary losses, it shall include a description of the claimant's non-pecuniary losses and documentary evidence of the losses.

(4) The claim shall identify any other sources from which compensation for the losses claimed by the claimant under this section have been paid or are payable to the claimant, and the amount of that compensation.

(5) The claim shall be filed on or before the final day for filing.

(6) The claimant shall revise the information required under subsection (4) as the information changes or as more such information becomes available to the claimant, even after receiving compensation from the special purpose account under section 7 or 8.

No payments made until all claims are adjudicated

6. No payments shall be made out of the special purpose account to direct victim claimants until all the claims filed by direct victim claimants in accordance with section 5 have been adjudicated and the amount of compensation to each claimant is determined under section 7 or 8.

Determination of eligibility and amount of compensation

7. (1) The adjudicator shall review all the direct victim claims filed on or before the final day for filing and shall determine,

- (a) each direct victim claimant's eligibility for compensation; and
- (b) the amount of compensation to be paid to each eligible direct victim claimant.

(2) A direct victim claimant is eligible for compensation from the special purpose account if the claim is filed in accordance with section 5 and if the adjudicator is satisfied by the claim and by any other information obtained by the adjudicator under section 19 of the Act that,

- (a) the claimant suffered pecuniary or non-pecuniary losses as a result of the unlawful activity;
- (b) the amount of the losses can be quantified; and
- (c) full compensation for the losses has not been paid or is not payable to the claimant from other sources.

(3) In determining whether a direct victim claimant is eligible for compensation and the amount of compensation to be paid to an eligible direct victim claimant, the adjudicator shall have regard to all relevant circumstances, including any behaviour of the claimant that may have directly or indirectly contributed to the claimant's losses or to the unlawful activity.

(4) Even if a direct victim claimant is eligible to receive compensation as determined under subsections (2) and (3), the adjudicator may decline to pay any compensation to the claimant if, in the adjudicator's opinion,

- (a) the amount of the compensation would be too small to justify the administrative costs of paying it; or
- (b) the losses suffered by the claimant are remote from the unlawful activity.

Amount of compensation where claims exceed balance of account

8. If the total amount of the compensation that would otherwise be paid to all the eligible direct victim claimants under section 7 exceeds the balance available in the special purpose account, the amount of compensation shall be determined and paid as follows:

1. Compensation for pecuniary losses of direct victim claimants who are individuals shall be determined first.
2. If the total amount that would otherwise be paid to all the eligible individual direct victim claimants for pecuniary losses exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each individual direct victim claimant for pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct victim claimants for pecuniary losses.
3. If, in the adjudicator's opinion, the payment for pecuniary losses to each individual direct victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 1 or 2.
4. If there is any balance available in the special purpose account after compensation for the pecuniary losses is determined under paragraph 1 or 2, compensation for non-pecuniary losses of direct victim claimants who are individuals shall be determined.
5. If the total of the amount that would otherwise be paid to all the eligible individual direct victim claimants for non-pecuniary losses exceeds the balance available in the special purpose account after compensation for the pecuniary losses under paragraph 1 or 2 is paid, the amount that would otherwise be paid to each individual direct victim claimant for non-pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct victim claimants for non-pecuniary losses.
6. If, in the adjudicator's opinion, the payment for non-pecuniary losses to each individual direct victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 4 or 5.
7. If there is any balance available in the special purpose account after compensation for the pecuniary and non-pecuniary losses of individual direct victim claimants is determined under paragraphs 1 to 6, compensation for pecuniary losses of direct victim claimants who are not individuals shall be determined.

8. If, in the adjudicator's opinion, the payment for pecuniary losses to each direct victim claimant who is not an individual would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 7.

Judicial review

9. (1) A decision of the adjudicator under section 7 or 8 is final and not subject to appeal, and shall not be altered or set aside in an application for judicial review or in any other proceeding unless the decision is patently unreasonable.

(2) An application for judicial review from a decision of the adjudicator under section 7 or 8 must be filed within 30 days after being notified of the determination that is subject to review.

Payments from other sources

10. (1) The amount that would otherwise be paid to a direct victim claimant under section 7 or 8 shall be reduced by the amount of compensation paid or payable to the claimant from any other source.

(2) If, after receiving a payment under section 7 or 8, a direct victim claimant receives a payment as compensation for some or all of the same losses from another source that was not identified in the claimant's claim or in an amount exceeding the amount identified in the claimant's claim, the claimant shall report the payment to the adjudicator, or if the adjudicator is no longer acting in respect of the special purpose account, to the Attorney General, and shall reimburse the Minister of Finance for the amount of money received from the other source that was also paid to the claimant from the special purpose account.

(3) The Minister of Finance may recover the amount of money received by a claimant from another source as compensation for the same losses for which the claimant received money as compensation from the special purpose account in any court of competent jurisdiction as a debt due to the Crown.

(4) The Minister of Finance shall deposit any reimbursed or recovered money to the special purpose account from which it had been paid.

(3) The notice shall,

(4) Even if a municipal corporation or public body claimant is eligible to receive compensation as determined under subsections (2) and (3), the Attorney General or his or her designate may decline to pay any compensation to the claimant if, in the opinion of the Attorney General or his or her designate,

(2) If, in the opinion of the Attorney General or his or her designate, the payment to each municipal corporation and public body claimant under subsection (1) would be too small to justify the administrative costs of paying them, the Attorney General or his or her designate may decline to pay any compensation under that subsection.

INDEMNISATION DES VICTIMES DIRECTES D'ACTIVITÉS ILLÉGALES (DISPOSITION 1 DU PARAGRAPHE 6 (3) DE LA LOI, DISPOSITION 1 DU PARAGRAPHE 11 (3) DE LA LOI)

Arbitre

3. (1) Le lieutenant-gouverneur en conseil peut nommer une ou plusieurs personnes pour agir comme arbitre des demandes présentées par des victimes directes en vertu du présent règlement.

(2) L'arbitre touche la rémunération et les indemnités que fixe le lieutenant-gouverneur en conseil.

(3) Le procureur général peut nommer un ou plusieurs employés de son ministère pour aider l'arbitre à s'acquitter des fonctions que lui attribue le présent règlement.

Avis

4. (1) Le procureur général donne un avis conformément au présent article au plus tard un an après le premier dépôt d'une somme dans un compte spécial.

(2) L'avis est publié dans la *Gazette de l'Ontario* et peut également être publié de toute autre façon qui, de l'avis du procureur général ou de la personne qu'il désigne, portera le droit de demander une indemnité à l'attention des victimes directes de l'activité illégale à laquelle se rapporte le compte spécial.

(3) L'avis :

- a) précise l'instance prévue par la Loi à l'issue de laquelle la somme a été déposée dans le compte spécial;

- b) indique que toute personne qui a subi des pertes pécuniaires ou extrapécuniaires par suite de l'activité illégale à l'égard de laquelle l'instance a été introduite a le droit de demander une indemnité;
- c) décrit les étapes à suivre pour présenter une demande;
- d) fixe l'échéance de production, laquelle ne doit pas tomber moins de six mois après la date de sa publication initiale dans la *Gazette de l'Ontario* ou plus de neuf mois après cette date;
- e) indique qu'une demande qui n'est pas conforme au présent règlement sera rejetée;
- f) indique l'adresse et le numéro de téléphone auxquels les demandes de renseignements visant des demandes éventuelles peuvent être présentées;
- g) indique l'adresse où les demandes doivent être produites;
- h) comprend les autres renseignements que le procureur général estime utiles.

(4) Si le procureur général ou la personne qu'il désigne est d'avis, eu égard au nombre de victimes directes qui pourraient présenter des demandes d'indemnisation sur un compte spécial ou aux fonds disponibles à cette fin, que le montant de l'indemnité revenant à chaque victime directe qui présente une demande serait trop petit pour justifier les frais d'administrations liés au règlement des demandes, l'un ou l'autre, selon le cas, peut décider qu'aucune indemnité ne sera prélevée sur le compte spécial pour être versée aux victimes directes qui présentent des demandes, auquel cas le procureur général ne doit pas donner l'avis prévu au présent article.

Demande

5. (1) La victime directe qui présente une demande utilise la formule de demande que fournit le procureur général.
- (2) La demande comprend une description des pertes pécuniaires subies par son auteur, preuves documentaires, notamment reçus et factures, à l'appui.
- (3) Si la demande vise également des pertes extrapécuniaires subies par son auteur, elle en comprend la description, preuves documentaires à l'appui.
- (4) La demande précise les autres sources qui ont versé ou doivent verser à son auteur des indemnités pour les pertes dont il demande à être indemnisé en vertu du présent article, ainsi que le montant de ces indemnités.
- (5) La demande est produite au plus tard à l'échéance de production.
- (6) L'auteur de la demande révisé les renseignements exigés au paragraphe (4) à mesure qu'ils évoluent ou qu'il en apprend de nouveaux, même après avoir reçu une indemnité prélevée sur le compte spécial en application de l'article 7 ou 8.

Aucun paiement avant le règlement de toutes les demandes

6. Aucune somme prélevée sur le compte spécial ne doit être versée aux victimes directes qui présentent une demande avant le règlement de toutes les demandes qu'elles ont produites conformément à l'article 5 et la fixation, en application de l'article 7 ou 8, du montant de l'indemnité accordée à chaque auteur d'une demande.

Admissibilité et montant de l'indemnité

7. (1) L'arbitre examine toutes les demandes que des victimes directes ont produites au plus tard à l'échéance de production et :
 - a) d'une part, établit l'admissibilité à une indemnité de chaque victime directe qui présente une demande;
 - b) d'autre part, fixe le montant de l'indemnité à verser à chaque victime directe admissible qui présente une demande.
- (2) La victime directe qui présente une demande est admissible à une indemnité prélevée sur le compte spécial si la demande est produite conformément à l'article 5 et que celle-ci et les autres renseignements obtenus par l'arbitre en vertu de l'article 19 de la Loi le convainquent de ce qui suit :
 - a) l'auteur de la demande a subi des pertes pécuniaires ou extrapécuniaires par suite de l'activité illégale;
 - b) les pertes peuvent être quantifiées;
 - c) d'autres sources n'ont pas indemnisé intégralement l'auteur de la demande des pertes qu'il a subies ni ne doivent le faire.
- (3) Lorsqu'il établit l'admissibilité à une indemnité d'une victime directe qui présente une demande et qu'il fixe le montant de l'indemnité à verser à une telle victime qui est admissible, l'arbitre tient compte de toutes les circonstances pertinentes, y compris tout comportement de l'auteur de la demande qui peut avoir contribué directement ou indirectement aux pertes qu'il a subies ou à l'activité illégale.
- (4) Même si la victime directe qui présente une demande est admissible à une indemnité fixée en application des paragraphes (2) et (3), l'arbitre peut refuser de la lui verser si, à son avis :
 - a) soit le montant de l'indemnité serait trop petit pour justifier les frais d'administration liés à son versement;

- b) soit le lien entre les pertes subies par l'auteur de la demande et l'activité illégale est ténu.

Montant de l'indemnité lorsque les demandes sont supérieures au solde du compte

8. Si le montant total des indemnités qui seraient versées par ailleurs, en application de l'article 7, aux victimes directes admissibles qui présentent une demande est supérieur au solde du compte spécial, les indemnités sont fixées et versées comme suit :

1. Les indemnités pour pertes pécuniaires subies par des victimes directes qui présentent une demande et qui sont des particuliers sont fixées en premier.
2. Si le montant total des indemnités pour pertes pécuniaires qui seraient versées par ailleurs aux victimes directes admissibles qui présentent une demande et qui sont des particuliers est supérieur au solde du compte spécial, l'indemnité pour pertes pécuniaires qui serait versée par ailleurs à chaque victime directe qui présente une demande et qui est un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
3. L'arbitre peut refuser de verser les indemnités visées à la disposition 1 ou 2 s'il est d'avis que l'indemnité pour pertes pécuniaires versée à chaque victime directe qui présente une demande et qui est un particulier serait trop petite pour justifier les frais d'administration liés à son versement.
4. Les indemnités pour pertes extrapécuniaires subies par des victimes directes qui présentent une demande et qui sont des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires ont été fixées en application de la disposition 1 ou 2.
5. Si le montant total des indemnités pour pertes extrapécuniaires qui seraient versées par ailleurs aux victimes directes admissibles qui présentent une demande et qui sont des particuliers est supérieur au solde du compte spécial après le versement des indemnités pour pertes pécuniaires visées à la disposition 1 ou 2, l'indemnité pour pertes extrapécuniaires qui serait versée par ailleurs à chaque victime directe qui présente une demande et qui est un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
6. L'arbitre peut refuser de verser les indemnités visées à la disposition 4 ou 5 s'il est d'avis que l'indemnité pour pertes extrapécuniaires versée à chaque victime directe qui présente une demande et qui est un particulier serait trop petite pour justifier les frais d'administration liés à son versement.
7. Les indemnités pour pertes pécuniaires subies par des victimes directes qui présentent une demande et qui ne sont pas des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires et extrapécuniaires subies par les victimes directes qui présentent une demande et qui sont des particuliers ont été fixées en application des dispositions 1 à 6.
8. L'arbitre peut refuser de verser les indemnités visées à la disposition 7 s'il est d'avis que l'indemnité pour pertes pécuniaires versée à chaque victime directe qui présente une demande et qui n'est pas un particulier serait trop petite pour justifier les frais d'administration liés à son versement.

Requête en révision judiciaire

9. (1) Les décisions que l'arbitre prend en application de l'article 7 ou 8 sont définitives, ne sont pas susceptibles d'appel et ne doivent pas être modifiées ni annulées dans le cadre d'une requête en révision judiciaire ou de toute autre instance à moins d'être manifestement déraisonnables.

(2) La requête en révision judiciaire d'une décision que l'arbitre prend en application de l'article 7 ou 8 doit être déposée au plus tard 30 jours après la remise de l'avis de la décision en cause.

Paiements provenant d'autres sources

10. (1) L'indemnité qui serait versée par ailleurs, en application de l'article 7 ou 8, à la victime directe qui présente une demande est réduite de l'indemnité que toute autre source lui a versée ou doit lui verser.

(2) La victime directe qui a présenté une demande et qui, après avoir reçu un versement en application de l'article 7 ou 8, est indemnisée pour la totalité ou une partie des mêmes pertes par une autre source que ne précise pas la demande ou selon un montant supérieur à celui qui y est précisé en informe l'arbitre, ou, s'il n'agit plus à l'égard du compte spécial, le procureur général, et rembourse au ministre des Finances la somme reçue de l'autre source qui lui a également été versée par prélèvement sur le compte spécial.

(3) Le ministre des Finances peut recouvrer devant un tribunal compétent, à titre de créance de la Couronne, la somme que l'auteur d'une demande a reçue d'une autre source en indemnisation des pertes à l'égard desquelles il a reçu une indemnité prélevée sur le compte spécial.

(4) Le ministre des Finances dépose le montant de toute somme remboursée ou recouvrée dans le compte spécial sur lequel elle a été prélevée.

Made: June 4, 2003

Filed: June 6, 2003

SPECIAL PURPOSE ACCOUNTS

GENERAL

Definitions

1. In this Regulation,

“adjudicator” means a person appointed by the Lieutenant Governor in Council under section 3; (“arbitre”)

“direct victim” means a person who suffered pecuniary or non-pecuniary losses, including losses recoverable under Part V of the *Family Law Act*, as a result of a crime that is the subject of a contract for recounting crime; (“victime directe”)

“final day for filing” means the date named in a notice published under section 4 on or before which all claims for the compensation pursuant to the notice must be filed; (“échéance de production”)

“special purpose account” means an account established under section 9 of the Act. (“compte spécial”)

Priority of payments from special purpose accounts

2. (1) Money shall be paid out of a special purpose account established under section 9 of the Act as follows:

1. First, to compensate direct victims of the crime that is the subject of the contract for recounting crime pursuant to which money is deposited into the special purpose account, in accordance with sections 3 to 10.
2. If any money remains after payment under paragraph 1, or if no money is paid under paragraph 1, then to assist victims of crime, in accordance with section 11.
- (2) Any money deposited to a special purpose account after compensation has been determined or paid under paragraph 1 of subsection (1) shall be applied to payments from the account under paragraph 2 of subsection (1), but shall not be applied to payments or be considered in determining or altering compensation under paragraph 1 of subsection (1).
- (3) Subsection (2) does not apply to royalties or other money deposited to a special purpose account that was determined by the adjudicator to be part of a direct victim claimant's compensation.

COMPENSATION TO DIRECT VICTIMS OF CRIME

Adjudicator

3. (1) The Lieutenant Governor in Council may appoint one or more persons to act as adjudicator of the claims made by direct victim claimants under this Regulation.
- (2) An adjudicator shall receive remuneration and expenses as determined by the Lieutenant Governor in Council.
- (3) The Attorney General may assign one or more employees of the Ministry of the Attorney General to assist an adjudicator in carrying out his or her duties under this Regulation.

Notice

4. (1) Within one year after the first deposit of money into a special purpose account, the Attorney General shall give notice in accordance with this section.
- (2) The notice shall be published in *The Ontario Gazette* and may also be published in any other way or ways that, in the opinion of the Attorney General or his or her designate, will bring the right to make a claim for compensation to the attention of direct victims of the crime to which the special purpose account relates.
- (3) The notice shall,
 - (a) identify the proceeding under the Act as a result of which the money was deposited into the special purpose account;
 - (b) state that any person who suffered pecuniary or non-pecuniary losses as a result of the crime that is the subject of the contract for recounting crime respecting which the proceeding was commenced is entitled to make a claim for compensation;
 - (c) describe the steps to be taken to make a claim;
 - (d) name the final day for filing, which shall not be earlier than six months after the first publication of the notice in *The Ontario Gazette* or later than nine months after that first publication;
 - (e) state that a claim that does not comply with this Regulation will be denied;
 - (f) give an address and telephone number to which inquiries about potential claims may be directed;
 - (g) give an address where claims should be filed;
 - (h) include any other information that the Attorney General considers appropriate.
- (4) If the Attorney General or his or her designate is of the opinion, having regard to the number of potential direct victim claimants for compensation from a special purpose account and the amount available for compensation from the account, that the payment to each direct victim claimant would be too small to justify the administrative costs of adjudicating the claims, the Attorney General or his or her designate, as the case may be, may decide that no compensation will be paid to any direct victim claimant from the special purpose account and, in that case, the Attorney General shall not give notice in accordance with this section.

Claim

5. (1) A direct victim claimant shall use the claim form provided by the Attorney General.
- (2) The claim shall include a description of the claimant's pecuniary losses and documentary evidence of the losses, including receipts and invoices.
- (3) If the claim is also for non-pecuniary losses, it shall include a description of the claimant's non-pecuniary losses and documentary evidence of the losses.
- (4) The claim shall identify any other sources from which compensation for the losses claimed by the claimant under this section have been paid or are payable to the claimant, and the amount of that compensation.
- (5) The claim shall be filed on or before the final day for filing.

(6) The claimant shall revise the information required under subsection (4) as the information changes or as more such information becomes available to the claimant, even after receiving compensation from the special purpose account under section 7 or 8.

No payments made until all claims are adjudicated

6. No payments shall be made out of the special purpose account to direct victim claimants until all the claims filed by direct victim claimants in accordance with section 5 have been adjudicated and the amount of compensation to each claimant is determined under section 7 or 8.

Determination of eligibility and amount of compensation

7. (1) The adjudicator shall review all the direct victim claims filed on or before the final day for filing and shall determine,

- (a) each direct victim claimant's eligibility for compensation; and
- (b) the amount of compensation to be paid to each eligible direct victim claimant.

(2) A direct victim claimant is eligible for compensation from the special purpose account if the claim is filed in accordance with section 5 and if the adjudicator is satisfied by the claim and by any other information obtained by the adjudicator under section 11 of the Act that,

- (a) the claimant suffered pecuniary or non-pecuniary losses as a result of the unlawful activity;
- (b) the amount of the losses can be quantified; and
- (c) full compensation for the losses has not been paid or is not payable to the claimant from other sources.

(3) In determining whether a direct victim claimant is eligible for compensation and the amount of compensation to be paid to an eligible direct victim claimant, the adjudicator shall have regard to all relevant circumstances, including any behaviour of the claimant that may have directly or indirectly contributed to the claimant's losses.

(4) Even if a direct victim claimant is eligible to receive compensation as determined under subsections (2) and (3), the adjudicator may decline to pay any compensation to the claimant if, in the adjudicator's opinion,

- (a) the amount of the compensation would be too small to justify the administrative costs of paying it; or
- (b) the losses suffered by the claimant are remote from the crime that is the subject of the contract for recounting crime.

Amount of compensation where claims exceed balance of account

8. If the total amount of the compensation that would otherwise be paid to all the eligible direct victim claimants under section 7 exceeds the balance available in the special purpose account, the amount of compensation shall be determined and paid as follows:

1. Compensation for pecuniary losses of direct victim claimants who are individuals shall be determined first.
2. If the total amount that would otherwise be paid to all the eligible individual direct victim claimants for pecuniary losses exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each individual direct victim claimant for pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct victim claimants for pecuniary losses.
3. If, in the adjudicator's opinion, the payment for pecuniary losses to each individual direct victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 1 or 2.
4. If there is any balance available in the special purpose account after compensation for the pecuniary losses is determined under paragraph 1 or 2, compensation for non-pecuniary losses of direct victim claimants who are individuals shall be determined.
5. If the total of the amount that would otherwise be paid to all the eligible individual direct victim claimants for non-pecuniary losses exceeds the balance available in the special purpose account after compensation for the pecuniary losses under paragraph 1 or 2 is paid, the amount that would otherwise be paid to each individual direct victim claimant for non-pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct victim claimants for non-pecuniary losses.
6. If, in the adjudicator's opinion, the payment for non-pecuniary losses to each individual direct victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 4 or 5.

7. If there is any balance available in the special purpose account after compensation for the pecuniary and non-pecuniary losses of individual direct victim claimants is determined under paragraphs 1 to 6, compensation for pecuniary losses of direct victim claimants who are not individuals shall be determined.
8. If, in the adjudicator's opinion, the payment for pecuniary losses to each direct victim claimant who is not an individual would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 7.

Judicial review

9. (1) A decision of the adjudicator under section 7 or 8 is final and not subject to appeal, and shall not be altered or set aside in an application for judicial review or in any other proceeding unless the decision is patently unreasonable.
- (2) An application for judicial review from a decision of the adjudicator under section 7 or 8 must be filed within 30 days after being notified of the determination that is subject to review.

Payments from other sources

10. (1) The amount that would otherwise be paid to a direct victim claimant under section 7 or 8 shall be reduced by the amount of compensation paid or payable to the claimant from any other source.
- (2) If, after receiving a payment under section 7 or 8, a direct victim claimant receives a payment as compensation for some or all of the same losses from another source that was not identified in the claimant's claim or in an amount exceeding the amount identified in the claimant's claim, the claimant shall report the payment to the adjudicator, or if the adjudicator is no longer acting in respect of the special purpose account, to the Attorney General, and shall reimburse the Minister of Finance for the amount of money received from the other source that was also paid to the claimant from the special purpose account.
- (3) The Minister of Finance may recover the amount of money received by a claimant from another source as compensation for the same losses for which the claimant received money as compensation from the special purpose account in any court of competent jurisdiction as a debt due to the Crown.
- (4) The Minister of Finance shall deposit any reimbursed or recovered money to the special purpose account from which it had been paid.

ASSISTING VICTIMS OF CRIME

11. (1) The Attorney General may pay grants out of a special purpose account to any person or organization in order to assist victims of crime.
- (2) The Attorney General shall establish criteria and guidelines for the payment of the grants, including the eligibility of persons and organizations to receive grants.

Ordre de priorité des prélèvements sur les comptes spéciaux

2. (1) Les prélèvements sur un compte spécial constitué en application de l'article 9 de la Loi se font de la manière suivante :

1. Premièrement, aux fins de l'indemnisation des victimes directes de l'acte criminel visé par le contrat d'utilisation du récit d'un acte criminel à l'égard duquel une somme est déposée dans le compte spécial, conformément aux articles 3 à 10.

Toutefois, elles ne doivent pas être affectées aux prélèvements visés à la disposition 1 du même paragraphe, entrer dans le calcul des indemnités prévues à cette disposition ni servir à les modifier.

(3) Le paragraphe (2) ne s'applique pas aux droits d'auteur et autres sommes déposés dans un compte spécial que l'arbitre déclare faire partie de l'indemnité versée à une victime directe qui présente une demande.

INDEMNISATION DES VICTIMES DIRECTES D'ACTES CRIMINELS

Arbitre

3. (1) Le lieutenant-gouverneur en conseil peut nommer une ou plusieurs personnes pour agir comme arbitre des demandes présentées par des victimes directes en vertu du présent règlement.

(2) L'arbitre touche la rémunération et les indemnités que fixe le lieutenant-gouverneur en conseil.

(3) Le procureur général peut nommer un ou plusieurs employés de son ministère pour aider l'arbitre à s'acquitter des fonctions que lui attribue le présent règlement.

Avis

4. (1) Le procureur général donne un avis conformément au présent article au plus tard un an après le premier dépôt d'une somme dans un compte spécial.

(2) L'avis est publié dans la *Gazette de l'Ontario* et peut également être publié de toute autre façon qui, de l'avis du procureur général ou de la personne qu'il désigne, portera le droit de demander une indemnité à l'attention des victimes directes de l'acte criminel auquel se rapporte le compte spécial.

(3) L'avis :

- a) précise l'instance prévue par la Loi à l'issue de laquelle la somme a été déposée dans le compte spécial;
- b) indique que toute personne qui a subi des pertes pécuniaires ou extrapécuniaires par suite de l'acte criminel visé par le contrat d'utilisation du récit d'un acte criminel à l'égard duquel l'instance a été introduite a le droit de demander une indemnité;
- c) décrit les étapes à suivre pour présenter une demande;
- d) fixe l'échéance de production, laquelle ne doit pas tomber moins de six mois après la date de sa publication initiale dans la *Gazette de l'Ontario* ou plus de neuf mois après cette date;
- e) indique qu'une demande qui n'est pas conforme au présent règlement sera rejetée;
- f) indique l'adresse et le numéro de téléphone auxquels les demandes de renseignements visant des demandes éventuelles peuvent être présentées;
- g) indique l'adresse où les demandes doivent être produites;
- h) comprend les autres renseignements que le procureur général estime utiles.

(4) Si le procureur général ou la personne qu'il désigne est d'avis, eu égard au nombre de victimes directes qui pourraient présenter des demandes d'indemnisation sur un compte spécial ou aux fonds disponibles à cette fin, que le versement revenant à chaque victime directe qui présente une demande serait trop petit pour justifier les frais d'administrations liés au règlement des demandes, l'un ou l'autre, selon le cas, peut décider qu'aucune indemnité ne sera prélevée sur le compte

spécial pour être versée aux victimes directes qui présentent des demandes, auquel cas le procureur général ne doit pas donner l'avis prévu au présent article.

Demande

5. (1) La victime directe qui présente une demande utilise la formule de demande que fournit le procureur général.
- (2) La demande comprend une description des pertes pécuniaires subies par son auteur, preuves documentaires, notamment reçus et factures, à l'appui.
- (3) Si la demande vise également des pertes extrapécuniaires subies par son auteur, elle en comprend la description, preuves documentaires à l'appui.
- (4) La demande précise les autres sources qui ont versé ou doivent verser à son auteur des indemnités pour les pertes dont il demande à être indemnisé en vertu du présent article, ainsi que le montant de ces indemnités.
- (5) La demande est produite au plus tard à l'échéance de production.
- (6) L'auteur de la demande révisé les renseignements exigés au paragraphe (4) à mesure qu'ils évoluent ou qu'il en apprend de nouveaux, même après avoir reçu une indemnité prélevée sur le compte spécial en application de l'article 7 ou 8.

Aucun paiement avant le règlement de toutes les demandes

6. Aucune somme prélevée sur le compte spécial ne doit être versée aux victimes directes qui présentent une demande avant le règlement de toutes les demandes qu'elles ont produites conformément à l'article 5 et la fixation, en application de l'article 7 ou 8, du montant de l'indemnité accordée à chaque auteur d'une demande.

Admissibilité et montant de l'indemnité

7. (1) L'arbitre examine toutes les demandes que des victimes directes ont produites au plus tard à l'échéance de production et :

- a) d'une part, établit l'admissibilité à une indemnité de chaque victime directe qui présente une demande;
 - b) d'autre part, fixe le montant de l'indemnité à verser à chaque victime directe admissible qui présente une demande.
- (2) La victime directe qui présente une demande est admissible à une indemnité prélevée sur le compte spécial si la demande est produite conformément à l'article 5 et que celle-ci et les autres renseignements obtenus par l'arbitre en vertu de l'article 11 de la Loi le convainquent de ce qui suit :
- a) l'auteur de la demande a subi des pertes pécuniaires ou extrapécuniaires par suite de l'activité illégale;
 - b) les pertes peuvent être quantifiées;
 - c) d'autres sources n'ont pas indemnisé intégralement l'auteur de la demande des pertes qu'il a subies ni ne doivent le faire.
- (3) Lorsqu'il établit l'admissibilité à une indemnité d'une victime directe qui présente une demande et qu'il fixe le montant de l'indemnité à verser à une telle victime qui est admissible, l'arbitre tient compte de toutes les circonstances pertinentes, y compris tout comportement de l'auteur de la demande qui peut avoir contribué directement ou indirectement aux pertes qu'il a subies.
- (4) Même si la victime directe qui présente une demande est admissible à une indemnité fixée en application des paragraphes (2) et (3), l'arbitre peut refuser de la lui verser si, à son avis :
- a) soit le montant de l'indemnité serait trop petit pour justifier les frais d'administration liés à son versement;
 - b) soit le lien entre les pertes subies par l'auteur de la demande et l'acte criminel visé par le contrat d'utilisation du récit d'un acte criminel est ténu.

Montant de l'indemnité lorsque les demandes sont supérieures au solde du compte

8. Si le montant total des indemnités qui seraient versées par ailleurs, en application de l'article 7, aux victimes directes admissibles qui présentent une demande est supérieur au solde du compte spécial, les indemnités sont fixées et versées comme suit :

1. Les indemnités pour pertes pécuniaires subies par des victimes directes qui présentent une demande et qui sont des particuliers sont fixées en premier.
2. Si le montant total des indemnités pour pertes pécuniaires qui seraient versées par ailleurs aux victimes directes admissibles qui présentent une demande et qui sont des particuliers est supérieur au solde du compte spécial, l'indemnité pour pertes pécuniaires qui serait versée par ailleurs à chaque victime directe qui présente une demande et qui est un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.

3. L'arbitre peut refuser de verser les indemnités visées à la disposition 1 ou 2 s'il est d'avis que l'indemnité pour pertes pécuniaires versée à chaque victime directe qui présente une demande et qui est un particulier serait trop petite pour justifier les frais d'administration liés à son versement.
4. Les indemnités pour pertes extrapécuniaires subies par des victimes directes qui présentent une demande et qui sont des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires ont été fixées en application de la disposition 1 ou 2.
5. Si le montant total des indemnités pour pertes extrapécuniaires qui seraient versées par ailleurs aux victimes directes admissibles qui présentent une demande et qui sont des particuliers est supérieur au solde du compte spécial après le versement des indemnités pour pertes pécuniaires visées à la disposition 1 ou 2, l'indemnité pour pertes extrapécuniaires qui serait versée par ailleurs à chaque victime directe qui présente une demande et qui est un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
6. L'arbitre peut refuser de verser les indemnités visées à la disposition 4 ou 5 s'il est d'avis que l'indemnité pour pertes extrapécuniaires versée à chaque victime directe qui présente une demande et qui est un particulier serait trop petite pour justifier les frais d'administration liés à son versement.
7. Les indemnités pour pertes pécuniaires subies par des victimes directes qui présentent une demande et qui ne sont pas des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires et extrapécuniaires subies par les victimes directes qui présentent une demande et qui sont des particuliers ont été fixées en application des dispositions 1 à 6.
8. L'arbitre peut refuser de verser les indemnités visées à la disposition 7 s'il est d'avis que l'indemnité pour pertes pécuniaires versée à chaque victime directe qui présente une demande et qui n'est pas un particulier serait trop petite pour justifier les frais d'administration liés à son versement.

Requête en révision judiciaire

9. (1) Les décisions que l'arbitre prend en application de l'article 7 ou 8 sont définitives, ne sont pas susceptibles d'appel et ne doivent pas être modifiées ni annulées dans le cadre d'une requête en révision judiciaire ou de toute autre instance à moins d'être manifestement déraisonnables.

(2) La requête en révision judiciaire d'une décision que l'arbitre prend en application de l'article 7 ou 8 doit être déposée au plus tard 30 jours après la remise de l'avis de la décision en cause.

Paievements provenant d'autres sources

10. (1) L'indemnité qui serait versée par ailleurs, en application de l'article 7 ou 8, à la victime directe qui présente une demande est réduite de l'indemnité que toute autre source lui a versée ou doit lui verser.

(2) La victime directe qui a présenté une demande et qui, après avoir reçu un versement en application de l'article 7 ou 8, est indemnisée pour la totalité ou une partie des mêmes pertes par une autre source que ne précise pas la demande ou selon un montant supérieur à celui qui y est précisé en informe l'arbitre, ou, s'il n'agit plus à l'égard du compte spécial, le procureur général, et rembourse au ministre des Finances la somme reçue de l'autre source qui lui a également été versée par prélèvement sur le compte spécial.

(3) Le ministre des Finances peut recouvrer devant un tribunal compétent, à titre de créance de la Couronne, la somme que l'auteur d'une demande a reçue d'une autre source en indemnisation des pertes à l'égard desquelles il a reçu une indemnité prélevée sur le compte spécial.

(4) Le ministre des Finances dépose le montant de toute somme remboursée ou recouvrée dans le compte spécial sur lequel elle a été prélevée.

AIDE AUX VICTIMES D'ACTES CRIMINELS

11. (1) Le procureur général peut prélever des fonds sur un compte spécial pour verser des subventions à toute personne ou tout organisme afin d'aider les victimes d'actes criminels.

(2) Le procureur général établit des critères et des lignes directrices qui régissent le versement des subventions, notamment l'admissibilité de personnes et d'organismes.

3. For the purposes of an assessment under subsection 2 (6) of the Act, the amounts paid out and expenses and expenditures of the Fund shall be calculated for each assessment period in accordance with the following formula:

$$(A + B + C) - D = E$$

where

A = amounts paid out to persons under subsection 6.1 (3) of the Act,

FMGF member

7. If the winding-up order is made in respect of an FMGF member, the share recoverable from each insurer that was an FMGF member during the assessment period shall be calculated in accordance with the following formula:

$$I = J \times K/L$$

where,

I = the share recoverable from the FMGF member,

J = the total amount of the assessment to be recovered as calculated under section 3,

K = the FMGF member's direct premiums for automobile insurance in Ontario in the calendar year immediately preceding the beginning of the assessment period,

L = the total, for all FMGF members licensed for automobile insurance during the assessment period of all direct premiums for automobile insurance in the calendar year immediately preceding the beginning of the assessment period, excluding the direct premiums of any FMGF members in respect of which a winding-up order was made during or subsequent to that period.

Same

8. If the winding-up order is made in respect of an FMGF member, the share recoverable from each insurer that was a PACICC member during the assessment period shall be zero.

If subject of winding-up order

9. If a PACICC member or FMGF member was the subject of a winding-up order during the assessment period, its share of any assessment is zero.

13. Subsection 35 (3) of the Regulation is revoked and the following substituted:

(3) Despite subsection (2), the insurer may delay determining whether a person is entitled to the benefit for up to 45 days from the date the insurer receives the person's application if the person fails, without a reasonable explanation, to notify the insurer within the 30 days required under clause 32 (1.1) (a) if the application relates to an accident that occurred before October 1, 2003.

14. Subsections 37 (3), (4) and (5) of the Regulation are revoked and the following substituted:

The notice under clause (1) (b) shall inform the person that he or she has the right to require a designated assessment in accordance with section 43 by giving the insurer written notice and a disability certificate from a health practitioner under section 34, before the date specified in the notice under subsection (2).
3. Despite subsection (2), the insurer shall not stop payment of the benefit if, within 14 days after receiving the notice under clause (1) (b), the person gives the insurer written notice that he or she requires a designated assessment in accordance with section 43 and provides the disability certificate referred to in paragraph 2.

- (a) submits or intends to submit an application for a benefit in accordance with section 32; and
- (b) claims medical or rehabilitation benefits in respect of an impairment that comes within a *Pre-approved Framework Guideline*.

(2) The insured person shall submit to the insurer, within the time specified in the *Pre-approved Framework Guideline* applicable to the impairment, a treatment confirmation form that satisfies the following requirements:

1. The treatment confirmation form shall be prepared by a health practitioner who is authorized by law to treat the impairment that is the subject of the form and who will be the health practitioner responsible for providing goods and services under the treatment confirmation form.
2. The treatment confirmation form shall contain details concerning the impairment and specify the *Pre-approved Framework Guideline* under which benefits are claimed.
3. The treatment confirmation form shall include a statement by the health practitioner who prepared the form,
 - i. disclosing any conflict of interest that he or she has that relates to the goods or services to be provided under the *Pre-approved Framework Guideline*,
 - ii. confirming that he or she has made reasonable inquiries to determine if any person who referred the insured person to a person who will provide goods or services under the *Pre-approved Framework Guideline* has a conflict of interest relating to the treatment, and

4. The treatment confirmation form shall be signed by the insured person, unless the insurer waives this requirement.
- (3) A lawyer or other representative who acts for the insured person in respect of the application for a benefit or in respect of any civil proceeding arising from the accident shall, at the time the treatment confirmation form is submitted, give the insurer and the insured person written notice disclosing any conflict of interest that the lawyer or representative has relating to the claim for benefits.
- (4) If a conflict of interest is disclosed in the treatment confirmation form or by a person under subsection (3), the insurer may refuse the application.
- (5) Within five business days after receiving a treatment confirmation form, the insurer shall send a notice that complies with the following rules to the insured person and to the health practitioner, acknowledging receipt of the treatment confirmation form:
1. The notice shall state whether the policy referred to in the treatment confirmation form was in force at the time of the accident.
 2. If the insurer refuses the application by reason of a conflict of interest, the notice shall state the reason the application is refused, what the conflict of interest is and that the insured person may submit a new application.
 3. If the treatment confirmation form includes a claim for ancillary goods or services referred to in section 37.2, the notice shall comply also with the requirements of that section.
- (6) Despite subsection (4), the insurer shall not refuse an application because of a conflict of interest if there is no other person within 50 kilometres of the insured person's residence who is able to provide the goods or services to which the conflict of interest relates.
- (7) If an insured person submits an application under section 32 and a treatment confirmation form under this section in respect of an impairment and the claim is accepted by the insurer, the insurer is liable to pay benefits of a type described in section 14 or 15 in respect of the impairment only in accordance with,
- (a) the *Pre-approved Framework Guideline* to which the treatment confirmation form relates; and
 - (b) the requirements of section 37.2, if that section applies in respect of the claim.
- (8) If the insured person has submitted an application under section 32 to the insurer, the insurer shall pay a benefit referred to in subsection (7) within 30 days after receiving an invoice for goods or services,
- (a) that have been provided under the *Pre-approved Framework Guideline* to which the treatment confirmation form relates; or
 - (b) that the insurer has agreed under section 37.2 to pay for and that have been provided.

- (10) An insured person may receive benefits under two or more *Pre-approved Framework Guidelines* if permitted under the *Guidelines*.
- (11) An insured person shall submit an amended treatment confirmation form if, during the course of treatment under a *Pre-approved Framework Guideline*, he or she changes the health practitioner who is responsible for providing goods and services under the treatment confirmation form.
- (12) The insurer is liable to pay for goods and services under an amended treatment confirmation form only to the extent the goods and services have not already been provided under the *Pre-approved Framework Guideline*.
- (13) Sections 42 and 43 do not apply to a claim for payment for goods and services provided under a *Pre-approved Framework Guideline*.
- (14) If goods or services available under a *Pre-approved Framework Guideline* are not provided within the times specified in the applicable *Guideline*, any claim for medical or rehabilitation benefits to which the *Guideline* would otherwise apply shall, subject to section 37.2, be submitted in accordance with section 38.
- (15) If a court or arbitrator determines in any dispute about an insured person's entitlement to medical or rehabilitation benefits or related assessments or examinations that a *Pre-approved Framework Guideline* applies to the insured person and the insured person received benefits or underwent assessments or examinations under the *Pre-approved Framework Guideline*,
- (a) the benefits shall be deemed to have been reasonable and necessary for the purposes of sections 14 and 15; and
 - (b) the assessments and examinations shall be deemed to have been reasonably required for the purposes of section 24.

37.2 (1) In this section, ancillary goods or services, in respect of an impairment to which a *Pre-approved Framework Guideline* applies, are goods or services for which the *Guideline*,

(b) permits a claim to be made in a treatment confirmation form under section 37.1.

(2) If a treatment confirmation form under section 37.1 includes a claim for ancillary goods or services, the following rules apply:

1. If the insurer does not agree to pay for all of the ancillary goods and services claimed in the treatment confirmation form, the insurer shall require the insured person to be assessed by a designated assessment centre in accordance with section 43 in respect of the ancillary goods and services the insurer will not pay for.

2. The notice given by the insurer under subsection 37.1 (5) shall state,

i. what ancillary goods and services, if any, that the insurer will pay for,

ii. what ancillary goods and services the insurer will not pay for and the reasons why the insurer will not pay for them, and

iii. that the insurer requires the insured person to be assessed by a designated assessment centre in accordance with section 43 in respect of the ancillary goods and services the insurer will not pay for.

(3) Despite subsection (2), no designated assessment is required if, within two business days after receiving the notice referred to in that subsection, the insured person gives the insurer written notice that he or she will not make any claim in respect of the goods and services for which the insurer has indicated it will not pay.

(4) If the insurer fails, within the time required under subsection 37.1 (5), to comply with the requirements of paragraph 2 of subsection (2) or fails to give the notice under subsection 37.1 (5), the insurer shall pay for all ancillary goods and services delivered under the treatment confirmation form.

(5) The following rules apply in respect of an expense for or relating to an ancillary good or service, subject to the determination of a dispute relating to the expense in accordance with sections 279 to 283 of the Act:

1. If a report from a designated assessment centre states that, in the opinion of the person or persons who conducted the designated assessment, the expense is reasonable and necessary for the insured person's treatment or rehabilitation, the insurer shall pay the expense.

2. If a report from a designated assessment centre does not state that, in the opinion of the person or persons who conducted the designated assessment, the expense is reasonable and necessary for the insured person's treatment or rehabilitation, the insurer is not required to pay the expense.

3. If a report from a designated assessment centre states that, in the opinion of the person or persons who conducted the designated assessment, the expense in respect of an assessment or examination is reasonably required in relation to the benefit claimed, the insurer shall pay the expense.

(1.5) L'assureur qui ne fournit pas l'avis exigé au paragraphe (1.3) dans le délai prévu à ce paragraphe est réputé avoir accepté de payer pour l'évaluation ou l'examen.

(1.6) Sous réserve du paragraphe (4), l'assureur paie les frais de transport raisonnables engagés par la personne assurée ou pour son compte pour le transport aller-retour de celle-ci aux fins d'une évaluation ou d'un examen visé au paragraphe (1), y compris les frais de transport d'un aide, le cas échéant.

(2) L'assureur n'est pas tenu, aux termes du paragraphe (1), de payer les frais liés à des services professionnels fournis à la personne assurée s'ils sont supérieurs au tarif ou au montant maximal de frais calculé suivant les directives applicables à la demande d'indemnité.

(2.1) Si les directives applicables à la demande d'indemnité fixent une fourchette de tarifs ou de montants pour les frais liés aux services professionnels fournis à la personne assurée :

(3) Malgré le paragraphe (2), l'assureur peut retarder la détermination du droit éventuel d'une personne à l'indemnité d'au plus 45 jours à compter de la date à laquelle il reçoit la demande de la personne si celle-ci, sans explication raisonnable, ne l'avise pas dans le délai de 30 jours imparti à l'alinéa 32 (1.1) a) et que la demande se rapporte à un accident qui est survenu avant le 1^{er} octobre 2003.

14. Les paragraphes 37 (3), (4) et (5) du Règlement sont abrogés et remplacés par ce qui suit :

(3) Les règles suivantes s'appliquent si un avis est donné aux termes de l'alinéa (1) b) pour le motif que la personne ne souffre plus d'une invalidité qui lui donne le droit de continuer à recevoir l'indemnité :

1. La date précisée dans l'avis donné aux termes du paragraphe (2) ne doit pas tomber moins de 14 jours après celle où la personne reçoit l'avis.
2. L'avis donné aux termes de l'alinéa (1) b) doit informer la personne qu'elle a le droit d'exiger une évaluation désignée conformément à l'article 43 en en avisant l'assureur par écrit et en lui donnant un certificat d'invalidité d'un praticien de la santé comme le prévoit l'article 34, et ce avant la date précisée dans l'avis donné aux termes du paragraphe (2).
3. Malgré le paragraphe (2), l'assureur ne doit pas interrompre le versement de l'indemnité si, dans les 14 jours de la réception de l'avis donné aux termes de l'alinéa (1) b), la personne l'avise par écrit qu'elle exige une évaluation désignée conformément à l'article 43 et lui fournit le certificat d'invalidité visé à la disposition 2.

(3.1) Les paragraphes 34 (3) et (4) ne s'appliquent pas si l'avis que donne l'assureur aux termes de l'alinéa (1) b) contient les renseignements visés à la disposition 2 du paragraphe (3).

(4) L'assureur peut interrompre le versement d'une indemnité à une personne, après l'avoir avisée des raisons de l'interruption, si :

15. Le Règlement est modifié par adjonction des articles suivants :

DIRECTIVES RELATIVES À UN CADRE DE TRAITEMENT PRÉAPPROUVÉ

37.1 (1) Le présent article s'applique à la personne assurée qui :

- a) d'une part, présente ou a l'intention de présenter une demande d'indemnité conformément à l'article 32;

(2) La personne assurée présente à l'assureur, dans le délai précisé dans la directive relative à un cadre de traitement préapprouvé applicable à la déficience, une formule de confirmation de traitement qui satisfait aux exigences suivantes :

1. Elle est préparée par un praticien de la santé que la loi autorise à traiter la déficience visée et qui se chargera de fournir des biens et des services suivant la formule.
2. Elle contient des détails sur la déficience et précise la directive relative à un cadre de traitement préapprouvé suivant laquelle la demande d'indemnité est présentée.
3. Elle comprend une déclaration du praticien de la santé qui l'a préparée, dans laquelle :
 - i. il divulgue toute situation de conflit d'intérêts dans laquelle le place la fourniture des biens ou des services qui doivent être fournis suivant la directive relative à un cadre de traitement préapprouvé,
 - ii. il confirme qu'il a fait des recherches raisonnables pour déterminer si le traitement place dans une situation de conflit d'intérêts toute personne qui a recommandé la personne assurée à une personne qui fournira des biens ou des services suivant la directive relative à un cadre de traitement préapprouvé,
 - iii. il divulgue toute situation de conflit d'intérêts dans laquelle le traitement place une personne qui a recommandé la personne assurée à une personne qui fournira des biens ou des services suivant la directive relative à un cadre de traitement préapprouvé.
4. Elle est signée par la personne assurée, sauf si l'assureur renonce à cette exigence.

(3) L'avocat ou autre représentant qui agit pour le compte de la personne assurée à l'égard de la demande d'indemnité ou à l'égard d'une instance civile découlant de l'accident avise par écrit l'assureur et la personne assurée, au moment de la présentation de la formule de confirmation de traitement, de toute situation de conflit d'intérêts dans laquelle le place cette demande.

(4) En cas de divulgation d'une situation de conflit d'intérêts dans la formule de confirmation de traitement ou de la part d'une personne visée au paragraphe (3), l'assureur peut refuser la demande.

(5) L'assureur qui reçoit une formule de confirmation de traitement donne à la personne assurée et au praticien de la santé, dans les cinq jours ouvrables qui suivent, un avis conforme aux règles suivantes dans lequel il en accuse réception :

1. L'avis indique si la police visée dans la formule de confirmation de traitement était en vigueur au moment de l'accident.
2. Si l'assureur refuse la demande en raison d'un conflit d'intérêts, l'avis indique le motif du refus, précise en quoi consiste le conflit d'intérêts et signale le droit qu'a la personne assurée de présenter une nouvelle demande.
3. Si la formule de confirmation de traitement comprend une demande de règlement pour des biens ou des services accessoires visée à l'article 37.2, l'avis se conforme également aux exigences de cet article.

(6) Malgré le paragraphe (4), l'assureur ne doit pas refuser une demande en raison d'un conflit d'intérêts s'il n'y a personne d'autre, dans un rayon de 50 kilomètres de la résidence de la personne assurée, qui puisse fournir les biens ou les services auxquels se rapporte le conflit d'intérêts.

(7) Si la personne assurée présente une demande prévue à l'article 32 et une formule de confirmation de traitement aux termes du présent article à l'égard d'une déficience et que l'assureur accepte la demande d'indemnité, il n'est tenu de verser des indemnités d'un type visé à l'article 14 ou 15 à l'égard de la déficience que conformément :

- a) d'une part, à la directive relative à un cadre de traitement préapprouvé à laquelle se rapporte la formule de confirmation;
- b) d'autre part, aux exigences de l'article 37.2, s'il s'applique à la demande.

(8) Si la personne assurée lui a présenté une demande prévue à l'article 32, l'assureur verse une indemnité visée au paragraphe (7) dans les 30 jours de la réception de la facture concernant les biens et les services :

- a) soit qui ont été fournis suivant la directive relative à un cadre de traitement préapprouvé à laquelle se rapporte la formule de confirmation de traitement;
- b) soit pour lesquels l'assureur a accepté de payer en vertu de l'article 37.2 et qui ont été fournis.

(9) L'assureur n'est pas tenu de verser des indemnités suivant plus d'une formule de confirmation de traitement qui se rapporte à la même directive relative à un cadre de traitement préapprouvé.

(10) Une personne assurée peut recevoir des indemnités visées par deux directives relatives à un cadre de traitement préapprouvé ou plus si celles-ci le permettent.

(11) La personne assurée qui, au cours du traitement prévu par une directive relative à un cadre de traitement préapprouvé, change de praticien de la santé qui est responsable de la fourniture de biens et de services suivant la formule de confirmation de traitement présente une formule de confirmation de traitement modifiée.

(12) L'assureur n'est tenu de payer pour des biens et des services suivant une formule de confirmation de traitement modifiée que dans la mesure où ils n'ont pas été déjà fournis suivant la directive relative à un cadre de traitement préapprouvé.

(13) Les articles 42 et 43 ne s'appliquent pas à une demande de paiement pour des biens et des services qui sont fournis suivant une directive relative à un cadre de traitement préapprouvé.

(14) Si des biens ou des services prévus par une directive relative à un cadre de traitement préapprouvé ne sont pas fournis dans les délais qu'elle précise, toute demande d'indemnité pour frais médicaux ou de réadaptation à laquelle elle s'appliquerait par ailleurs est, sous réserve de l'article 37.2, présentée conformément à l'article 38.

(15) Si un tribunal ou un arbitre décide, dans un différend portant sur le droit d'une personne assurée à des indemnités pour frais médicaux ou de réadaptation ou à des évaluations ou examens connexes, qu'une directive relative à un cadre de traitement préapprouvé s'applique à la personne assurée et que cette dernière a reçu des indemnités ou s'est soumise à des évaluations ou à des examens suivant cette directive :

- a) d'une part, les indemnités sont réputées avoir été raisonnables et nécessaires pour l'application des articles 14 et 15;
- b) d'autre part, les évaluations et les examens sont réputés avoir été raisonnablement nécessaires pour l'application de l'article 24.

37.2 (1) Dans le présent article, les biens ou services accessoires sont, relativement à une déficience à laquelle s'applique une directive relative à un cadre de traitement préapprouvé, des biens ou des services à l'égard desquels la directive :

- a) d'une part, exige l'approbation de l'assureur;
- b) d'autre part, permet de présenter une demande dans une formule de confirmation de traitement visée à l'article 37.1.

(2) Les règles suivantes s'appliquent si une formule de confirmation de traitement visée à l'article 37.1 comprend une demande de règlement à l'égard de biens ou de services accessoires :

1. S'il n'accepte pas de payer pour tous les biens ou services accessoires demandés dans la formule, l'assureur exige que la personne assurée se fasse évaluer par un centre d'évaluation désigné conformément à l'article 43 à l'égard de ceux pour lesquels l'assureur ne paiera pas.
2. L'avis que donne l'assureur aux termes du paragraphe 37.1 (5) indique ce qui suit :
 - i. les biens et services accessoires éventuels pour lesquels il paiera,
 - ii. les biens et services accessoires pour lesquels il ne paiera pas, motifs à l'appui,
 - iii. le fait que l'assureur exige que la personne assurée se fasse évaluer par un centre d'évaluation désigné conformément à l'article 43 à l'égard des biens et services accessoires pour lesquels il ne paiera pas.

(3) Malgré le paragraphe (2), aucune évaluation désignée n'est exigée si, dans les deux jours ouvrables qui suivent la réception de l'avis visé à ce paragraphe, la personne assurée donne à l'assureur un avis écrit indiquant qu'elle ne présentera aucune demande de règlement à l'égard des biens et services pour lesquels il a indiqué qu'il ne paiera pas.

(4) Si, dans le délai imparti au paragraphe 37.1 (5), il ne se conforme pas aux exigences de la disposition 2 du paragraphe (2) ni ne donne l'avis prévu au paragraphe 37.1 (5), l'assureur paie pour tous les biens et services accessoires qui sont fournis suivant la formule de confirmation de traitement.

(5) Les règles suivantes s'appliquent à l'égard des frais engagés pour des biens ou des services accessoires, ou s'y rapportant, sous réserve du règlement de tout différend relatif à ces frais conformément aux articles 279 à 283 de la Loi :

1. Si un centre d'évaluation désigné déclare dans un rapport que les frais sont, de l'avis de la ou des personnes qui ont procédé à l'évaluation désignée, raisonnables et nécessaires aux fins du traitement ou de la réadaptation de la personne assurée, l'assureur doit les payer.
2. Si un centre d'évaluation désigné ne déclare pas dans un rapport que les frais sont, de l'avis de la ou des personnes qui ont procédé à l'évaluation désignée, raisonnables et nécessaires aux fins du traitement ou de la réadaptation de la personne assurée, l'assureur n'est pas tenu de les payer.
3. Si un centre d'évaluation désigné déclare dans un rapport que les frais relatifs à une évaluation ou à un examen sont, de l'avis de la ou des personnes qui ont procédé à l'évaluation désignée, raisonnablement nécessaires en ce qui concerne l'indemnité demandée, l'assureur doit les payer.
4. Si un centre d'évaluation désigné ne déclare pas dans un rapport que les frais relatifs à une évaluation ou à un examen sont, de l'avis de la ou des personnes qui ont procédé à l'évaluation désignée, raisonnablement nécessaires en ce qui concerne l'indemnité demandée, l'assureur n'est pas tenu de les payer.

(1) Sous réserve du paragraphe (2.1), le présent article s'applique à ce qui suit :

- a) toute demande d'indemnité pour frais médicaux ou de réadaptation, sauf :
 - (i) d'une part, une demande d'indemnité payable aux termes de l'article 37.1,
 - (ii) d'autre part, une demande de règlement pour les biens et services accessoires visés à l'article 37.2;
- b) les demandes d'évaluation ou d'examen visées à la sous-disposition 3 ii du paragraphe 24 (1) qui sont présentées avec un plan de traitement visé au paragraphe (2).

(1.1) La personne assurée présente à l'assureur une demande d'indemnité pour frais médicaux ou de réadaptation avant d'engager des frais à l'égard de cette indemnité ou à l'égard d'une évaluation ou d'un examen auquel s'applique le présent article.

(2) Le paragraphe 38 (2) du Règlement est abrogé et remplacé par ce qui suit :

(2) La demande visée au présent article doit être signée par la personne assurée, sauf si l'assureur renonce à cette exigence, et, à moins que l'article 38.1 ne s'applique, comprendre ce qui suit :

- a) un plan de traitement préparé par un membre d'une profession de la santé;
- b) une déclaration dans laquelle un praticien de la santé approuve le plan de traitement visé à l'alinéa a) et déclare qu'à son avis :
 - (i) d'une part, les frais envisagés par le plan de traitement sont raisonnables et nécessaires aux fins du traitement ou de la réadaptation de la personne assurée,
 - (ii) d'autre part, la déficience dont souffre la personne assurée n'est pas visée par une directive relative à un cadre de traitement préapprouvé.

(2.1) L'assureur peut rejeter un plan de traitement prévu au présent article qui prévoit la fourniture de biens ou de services à l'égard d'une période pendant laquelle la personne assurée a le droit d'en recevoir suivant une directive relative à un cadre de traitement préapprouvé, à moins que celle-ci ne lui permette de recevoir les deux. Le rejet de l'assureur est définitif et n'est pas susceptible de révision.

(2.2) Le paragraphe (2.1) n'a pas pour effet d'empêcher la personne assurée, pendant qu'elle reçoit des biens ou des services suivant une directive relative à un cadre de traitement préapprouvé, de présenter un plan de traitement applicable à une autre période que celle visée à ce paragraphe.

(3) L'article 38 du Règlement est modifié par adjonction du paragraphe suivant :

(3.1) Malgré les paragraphes (1.1), (2) et (3), la personne assurée qui engage des frais à l'égard desquels une indemnité pour frais médicaux ou de réadaptation peut être payable, autres que des frais payables suivant une directive relative à un cadre de traitement préapprouvé, sans se conformer à l'un ou l'autre de ces paragraphes présente à l'assureur une demande de paiement des frais conforme aux paragraphes (2) et (3) dans les 30 jours qui suivent leur engagement.

(4) Le paragraphe 38 (8) du Règlement est abrogé et remplacé par ce qui suit :

(8) S'il ne donne pas l'avis prévu au paragraphe (5), l'assureur donne à la personne assurée l'un des avis suivants :

- 1. Un avis divulguant si le plan de traitement le place dans une situation de conflit d'intérêts et indiquant :
 - i. d'une part, les biens et services éventuels prévus par le plan de traitement pour lesquels il paiera,
 - ii. d'autre part, les biens et services éventuels prévus par le plan de traitement pour lesquels il ne paiera pas.
- 2. Un avis indiquant qu'il rejette le plan de traitement pour le motif que la personne assurée souffre d'une déficience à laquelle s'applique une directive relative à un cadre de traitement préapprouvé.

(8.1) L'avis prévu au paragraphe (8) doit être donné :

- a) dans les 14 jours de la réception de la demande par l'assureur, dans le cas d'un avis prévu à la disposition 1 du paragraphe (8);
- b) dans les cinq jours ouvrables de la réception de la demande par l'assureur, dans le cas d'un avis prévu à la disposition 2 du paragraphe (8).

(8.2) Les règles suivantes s'appliquent si l'assureur ne donne pas un avis prévu au paragraphe (8) conformément au paragraphe (8.1) :

- 1. Dans le cas de l'avis prévu à la disposition 2 du paragraphe (8) :
 - i. d'une part, il ne peut pas rejeter le plan de traitement pour le motif que la personne assurée souffre d'une déficience à laquelle s'applique une directive relative à un cadre de traitement préapprouvé,

ii. d'autre part, il doit donner l'avis prévu à la disposition 1 du paragraphe (8) conformément au paragraphe (8.1).

2. Dans le cas de l'avis prévu à la disposition 1 du paragraphe (8) ou d'un avis qu'exige cette disposition en application de la sous-disposition 1 ii du présent paragraphe, il paie pour tous les biens et services fournis suivant le plan de traitement qui vise la période débutant le lendemain du jour où il était tenu de donner l'avis et se terminant le jour où il donne l'avis.

(5) Le paragraphe 38 (9) du Règlement est modifié par substitution de «à la disposition 1 du paragraphe (8)» à «à l'alinéa (8) b)».

(6) Les paragraphes 38 (11) et (12) du Règlement sont abrogés et remplacés par ce qui suit :

(11) Si la demande n'est pas retirée comme le permet le paragraphe (9), l'assureur paie pour les biens et les services pour lesquels il a accepté de payer dans l'avis prévu à la disposition 1 du paragraphe (8) dans les 30 jours de la réception de la facture.

(12) Si l'avis prévu à la disposition 1 du paragraphe (8) n'indique pas que l'assureur paiera pour tous les biens et services prévus par le plan de traitement :

- a) d'une part, l'assureur exige que la personne assurée se fasse évaluer par un centre d'évaluation désigné conformément à l'article 43 à l'égard de ceux pour lesquels il ne paiera pas;
- b) d'autre part, l'assureur joint ce qui suit à l'avis prévu à la disposition 1 du paragraphe (8) :
 - (i) l'exposé des motifs pour lesquels il n'accepte pas de payer pour tous les biens et services prévus par le plan de traitement,
 - (ii) un avis selon lequel il exige que la personne assurée se fasse évaluer par un centre d'évaluation désigné conformément à l'article 43.

(12.1) Si l'assureur donne l'avis prévu à la disposition 2 du paragraphe (8) :

 - (i) une déclaration précisant quelle directive relative à un cadre de traitement préapprouvé s'applique à la personne assurée,
 - (ii) un avis selon lequel il exige que la personne assurée se fasse évaluer par un centre d'évaluation désigné.

(12.2) Si l'assureur donne l'avis prévu à la disposition 2 du paragraphe (8), la personne assurée peut présenter une formule de confirmation de traitement en vertu de l'article 37.1 et recevoir des biens et des services conformément à la directive relative à un cadre de traitement préapprouvé visée au sous-alinéa (12.1) b) (i), en attendant la décision du centre d'évaluation désigné visé au sous-alinéa (12.1) b) (ii).

(12.3) S'il y a lieu, la formule de confirmation de traitement visée au paragraphe (12.2) peut comprendre une demande de règlement pour des biens ou des services accessoires visée à l'article 37.2.

(7) Les paragraphes 38 (13) et (14) du Règlement sont abrogés et remplacés par ce qui suit :

(13) Malgré l'alinéa (12) a), aucune évaluation désignée ne doit être exigée si, dans les cinq jours ouvrables de la réception de l'avis prévu au sous-alinéa (12) b) (ii), la personne assurée avise par écrit l'assureur qu'elle ne présentera pas de demande de règlement à l'égard des biens ou des services pour lesquels il a indiqué qu'il ne paiera pas.

Note: Since the end of 2002, Regulation 1012 has been amended by Ontario Regulation 189/03. Previous amendments are listed in the Table of Regulations published in *The Ontario Gazette* dated January 18, 2003.

1. The title to Regulation 1012 of the Revised Regulations of Ontario, 1990 is revoked and the following substituted:

DEFINITIONS, EXEMPTIONS AND REBATES

2. The Regulation is amended by adding the following section:

REBATE UNDER CLAUSE 48 (3) (q) OF THE ACT

31.1 (1) Subject to subsection (12), the Minister may rebate to the owner of an eligible electricity generating facility or eligible deep lake-water cooling facility an amount with respect to the tax paid under the Act in respect of eligible tangible personal property,

- (a) that is purchased and incorporated after November 25, 2002 and before January 1, 2008 into an eligible electricity generating facility that is not a qualifying nuclear facility or into an eligible deep lake-water cooling facility; or
- (b) that is purchased and incorporated after June 1, 2003 and before January 1, 2008 into an eligible electricity generating facility that is a qualifying nuclear facility.

(2) The following property is eligible tangible personal property for the purposes of clause 48 (3) (q) of the Act and this section:

- 1. Tangible personal property that is incorporated into an eligible electricity generating facility, but not tangible personal property that is otherwise eligible for exemption under the Act.
- 2. Tangible personal property that is incorporated into an eligible deep lake-water cooling facility, but not tangible personal property that is otherwise eligible for exemption under the Act.

(3) In this section,

“alternative or renewable source of energy” has the same meaning as in section 204 of Regulation 183 of the Revised Regulations of Ontario, 1990 (General) made under the *Corporations Tax Act*;

“district cooling” means the cooling of more than one building through the distribution by underground pipes of cooling fluid from a central location;

“district heating” means the heating of more than one building through the distribution by underground pipes of steam or heated water from a central location;

“eligible deep lake-water cooling facility” means a facility in Ontario, including qualifying property, that uses the constantly cold water found at the bottom of a lake to cool the fluid circulated through a district cooling system;

“eligible electricity generating facility” means a facility in Ontario, excluding residential premises and multi-residential premises and including qualifying property incorporated into the facility,

- (a) that is substantially used to generate electricity all or substantially all of which is generated from alternative or renewable sources of energy, and
- (b) that generates the electricity for its own consumption or for delivery to a person in Ontario or to the IMO-controlled grid, and
- (c) that is not a non-qualifying nuclear facility;

“IMO-controlled grid” has the same meaning as in subsection 2 (1) of the *Electricity Act, 1998*;

“non-qualifying nuclear facility” means a nuclear facility that is not a qualifying nuclear facility;

"qualifying nuclear facility" has the same meaning as in section 204 of Regulation 183 of the Revised Regulations of Ontario, 1990 (General) made under the *Corporations Tax Act*;

"qualifying property" means,

- (a) tangible personal property used to deliver electricity to a person in Ontario or to the IMO-controlled grid,
- (b) tangible personal property used to convey water to a hydro-electric turbine or to a reservoir that supplies water to a hydro-electric turbine,
- (c) tangible personal property used to collect water for a deep lake-water cooling facility or to distribute fluid through a district cooling system, and includes production machinery and equipment that is not otherwise eligible for exemption under the Act, and
- (d) tangible personal property used in the distribution of steam or heated water for the purposes of district heating.

(4) For the purposes of the definition of "eligible electricity generating facility", the facility is substantially used to generate electricity if the total useful energy output of the facility is at least 20 per cent of the total energy input to the facility, and if the electrical energy output of the facility is at least 25 per cent of the total useful energy output of the facility.

(5) The amount of the rebate is determined as follows:

1. If the eligible tangible personal property was purchased by the owner of the eligible electricity generating facility or eligible deep lake-water cooling facility, the amount of the rebate is the amount of the tax paid under the Act by the owner in respect of the eligible tangible personal property.
2. Subject to subsection (6), if the eligible tangible personal property was purchased by a contractor and incorporated into the eligible electricity generating facility or eligible deep lake-water cooling facility under a written construction contract, the amount of the rebate is determined as follows:
 - i. For payments made by the owner of the facility in satisfaction of the contract price that are subject to the tax imposed by Part IX of the *Excise Tax Act* (Canada), 3 per cent of the sum of those payments and that tax.
 - ii. For all other payments made by the owner of the facility in satisfaction of the contract price, 3.4 per cent of those payments.

(6) The payments referred to in paragraph 2 of subsection (5) that are used to calculate the amount of a rebate under this section shall not include any amount paid under the construction contract that can reasonably be attributed to the following:

2. The cost of obtaining a performance bond.
3. Charges for development or for project consulting services.
4. Architect's fees.
5. Building permit fees.
6. Charges for temporary facilities.
7. The costs of demolition.
8. Equipment rental charges.
9. The cost of tangible personal property that may be exempt from tax under the Act otherwise than under this section.

(7) If the amount of the rebate is determined under paragraph 2 of subsection (5) and the owner of the facility establishes that the amount of the rebate determined under that paragraph is less than the amount of the tax paid under the Act by the contractor on the purchase of the eligible tangible personal property, the amount of the rebate is the amount of the tax paid by the contractor.

(8) The Minister of Energy or his or her delegate may give opinions to taxpayers or to the Minister of Finance relating to engineering and scientific matters raised in the interpretation of the definitions in subsection (3) and in the interpretation of subsection (4) or (5), and any opinion given by the Minister of Energy or his or her delegate with respect to those matters is conclusive for the purposes of this section.

(9) If the construction contract requires that progress payments on account of the contract price be made by the owner, the rebate may be paid by instalments equal to the appropriate percentage of each progress payment made by the owner.

(10) If an eligible electricity generating facility ceases to be an eligible electricity generating facility on or before the fourth anniversary of the last rebate payment made under this section in respect of the facility, the owner shall repay the amount of the rebate in full at the time and in the manner specified by the Minister.

(11) For the purposes of subsection (10), an eligible electricity generating facility ceases to be an eligible electricity generating facility if more than 10 per cent of the electricity generated by the facility in a year, other than amounts conveyed to the IMO-controlled grid, is used outside Ontario.

(12) No rebate is payable under this section unless an application for the rebate,

(a) is made in writing and includes such information and documents as the Minister may specify; and

(b) is made before the fourth anniversary of the day on which the tax or payment under the contract was made to which the rebate relates.

1. (1) This section applies for the purposes of determining the amount of a senior's property tax credit under subsection 8 (3.1) of the Act for the 2003 or a subsequent taxation year if,

- (a) the senior's occupancy cost for the taxation year is less than \$556; and
- (b) the senior or his or her cohabiting spouse or common-law partner is entitled to a tax credit for the taxation year under the *Ontario Home Property Tax Relief for Seniors Act, 2003*.

(2) The amount for a taxation year for the purposes of the definition of "B" in subclause 8 (3.1) (a) (i) of the Act is the amount calculated using the formula,

$$C \times D$$

in which,

"C" is the amount equal to the lesser of,

- (a) 1.0, and
- (b) the greater of 1/1.1 and the amount calculated for the taxation year under subsection (3); and

(3) The amount calculated under this subsection for the purposes of clause (b) of the definition of "C" in subsection (2), is the amount calculated using the formula,

- (b) is living separate and apart from the individual at the end of the taxation year.

(2) The amount of the individual's occupancy cost for a taxation year as otherwise determined for the purposes of subsection 8 (3) of the Act shall be reduced by the amount of the tax credit under the *Ontario Home Property Tax Relief for Seniors Act, 2003* to which the spouse or partner is entitled for the taxation year.

(3) Despite subsection (2), if the amount of the individual's occupancy cost for the taxation year before any reduction under that subsection would be less than \$278, the amount of the individual's occupancy cost for the taxation year shall be reduced instead by the amount calculated using the formula,

$$F \times G$$

in which,

"F" is the amount equal to the lesser of,

- (a) 1.0, and
- (b) the greater of 1/1.1 and the amount calculated for the taxation year under subsection (4), and

(4) The amount calculated under this subsection for the purposes of clause (b) of the definition of "F" in subsection (3) is the amount calculated using the formula,

$$(H + I - \$250)/(1.1 \times G)$$

in which,

"H" is the individual's occupancy cost for the taxation year before any reduction under subsection (2) or (3), and

"G" has the same meaning as in subsection (3).

**Ontario Energy Board
Commission de l'Énergie de l'Ontario**

RP-2003-0056

IN THE MATTER OF the *Ontario Energy Board Act*, 1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF the condition of licence pursuant to subsection 70(2)(d)(ii) governing the conduct of a distributor as that conduct relates to a retailer;

AND IN THE MATTER OF a application on the Board's own motion pursuant to section 74 to amend a licence.

BEFORE:

PAUL SOMMERVILLE
Presiding Member

ARTHUR BIRCHENOUGH
Member

DECISION AND ORDER

In December 2002, the Independent Electricity Market Operator in Ontario (the IMO) began to calculate the prudential support obligations (PSOs) which distributors are required to deposit with the IMO using the statutory price level of \$43/MWh applicable for low volume and designated consumers. Previously the IMO has based PSOs for distributors using its estimated market price of \$65/MWh.

On April 2, 2003, the Director of Licensing sent Bulletin 200301 to electricity distribution companies and electricity retailers to assist them in interpreting subsections 8.1 and 8.1.3 of the Retail Settlement Code (RSC). The Director instructed distributors to calculate their maximum

allowable security arrangements from retailers on a two-price basis, \$37/MWh for retailer-served loads eligible for the low volume and designated load fixed price and \$65/MWh for other retailer-served loads.

The Board received letters from a number of parties commenting on the Director's interpretation of the RSC and asking that the Board review the Director's interpretation.

In Bulletin 200302 on April 15, 2002, the Director indicated that he did not intend to take enforcement actions respecting his interpretation until the Board had considered the matter.

On May 2, 2003, the Board indicated in a letter to the parties that it would be considering amending the Retail Settlement Code to reflect a market settlement process with more than one relevant or applicable price. The letter stated, "Any interpretation of the subsections is necessarily an attempt to reflect the original intent of the RSC to fairly map the actions of the market and the role of the distributor in passing through the price of the commodity."

On June 3, 2003, the Board issued notice of a proceeding (RP-2003-0056) on its own motion to amend the Retail Settlement Code. Submissions on the proposed amendment and objections to a written hearing were required by June 30, 2003.

The Board received 13 responses. There were no objections to a written proceeding. Copies of the notice, including the evidence filed in this proceeding, are available for review at the Board's offices. While the Board has considered all the evidence filed in this proceeding, the Board has only referenced the evidence to the extent necessary to provide background to this Decision and Order.

Board findings

One of the purposes of the RSC is to protect the distributor and its ratepayers from commodity risk in fulfilling its role as a pass-through agent of the electricity commodity. The distributor is exposed to risk since it is obligated to make payment to the IMO, even in the event of retailer default. It is this risk that is covered by the retailer prudential support obligation. In following the payment streams before and after the effects of the Electricity Pricing, Conservation and Supply Act, 2002 (Bill 210), the Board finds that the payment obligation of retailers has not changed either under distributor-consolidated billing or retailer-consolidated billing.

The fact that the IMO has a process for reducing distributor PSOs based on payment history and has reduced distributor PSOs to the level of the statutory price presumably reflects its comfort with the level of risk associated with distributor payment.

The Board notes that Section 8 of the RSC is meant to set a maximum PSO for retailers. The Board expects that as the market matures and more experience is gained with retailers that distributors will lower PSOs for retailers with good payment history or credit ratings.

The Board further notes that the IMO has not changed the estimated market price since market opening. During some parts of the year it is lower than the actual market price and therefore does not cover the full payment risk to the distributor. During other parts of the year, it is higher than the actual market price and the OEFC will make a payment to the retailer that is passed through the IMO and the distributor. However, the Board still feels it is the most appropriate benchmark.

The Board has considered and agrees with parties that certain changes to the proposed wording better reflect the intent of the amendment.

The Board finds that amendment of the Retail Settlement Code to clarify retailer prudential support obligations is in the public interest.

THE BOARD ORDERS THAT:

Section 8.1.1 of the Retail Settlement Code is revised as follows:

The last sentence of Step 1 is deleted and replaced with the following:

For the purpose of this estimation, the price estimates used in calculat-

tributors, low-volume consumers and designated consumers.

REPORT OF THE HONOURABLE COULTER A. OSBORNE INTEGRITY COMMISSIONER

MPP COMPENSATION REFORM ACT (ARM'S LENGTH PROCESS), 2001

[1] On June 29, 2001 the *MPP Compensation Reform Act (Arm's Length Process), 2001* (the Act) received Royal Assent. The relevant parts of that Act read as follows:

1. (1) Every member of the Assembly shall be paid an annual salary of \$78,007 or such other amount as is determined under this section.

(1.1) The Integrity Commissioner appointed under the Members' Integrity Act, 1994 shall, at such intervals, as he or she considers appropriate, review the salary paid to members under subsection (1) and determine the appropriate salary.

(1.2) Following each review, the Integrity Commissioner shall prepare a report setting out the amount of the salary that he or she has determined.

...

(1.4) If the report provides for a salary change, the change takes effect on the day that the report is delivered to the Speaker and if the report so provides, an increase is retroactive to the date set out in the report.

[2] On August 27, 2001, acting under the jurisdiction provided by the Act, The Honourable Gregory Evans determined that effective April 1, 2001, 2002 and 2003 each member of the Legislative Assembly would receive a salary increase of 3%. Mr. Evans also determined that immediately after the election, now called for October 2, 2003, the salary of members shall increase by 25% and continue at that level until the first quadrennial review under the Act in 2005. Mr. Evans characterized this increase as a "catch-up" increase for the reasons set out in his August 27, 2001 Report. Mr. Evans further determined that after the next election (after October 2, 2003) members shall receive an annual increase in salary equal to the Ontario Industrial Average Wage Index, not to exceed 7%. This is a cost of living provision. As such it does not constitute a true salary increase.

[3] In summary form, as a result of Mr. Evans' salary determinations under the Act, members' salaries have increased by 3% in each of the years 2001, 2002 and 2003. Absent a further determination under the Act their salaries will increase by 25% following the October 2, 2003 election.

[4] The provisions of the Act are open ended in so far as my jurisdiction to review the salary paid to members under Section 1(1.1) of the Act is concerned. The statement reference to "... at such intervals as he or she considers appropriate, ..." makes that clear. I take it that the Legislature wanted the process for determining members' salaries to be flexible. Thus, although Mr. Evans did not contemplate a review of members' salaries before 2005, I think that changed circumstances warrant further consideration of the appropriateness of the 25% salary increase which, as I have said, will come into effect on October 2, 2003.

[5] The Premier and the Leaders of the Liberal and New Democratic Party have all made written submissions to me suggesting that the 25% salary increase which, as I have said above, would become effective on October 2, 2003, be terminated. In response to those submissions I contemplated undertaking a full review of members' salaries. After considering the matter further it seems to me that such a review is not warranted at this time, which would be about two years after Mr. Evans' comprehensive review.

[6] The destiny of the 25% salary increase does, however, present a more immediate problem. It is my opinion that given existing economic

[7] I propose to undertake a further, and comprehensive, review of members' salaries. At this time, I think that in fairness to members this review should take place in 2004, and certainly no later than early 2005. In my opinion that review should take into account the entire compensation package for members including salaries, pensions, benefits, applicable indemnities and the severance pay entitlement of former members. Although all elements of members' compensation should, I think, be taken into account in determining what members' salaries should be, my jurisdiction under the Act is restricted to salaries. That is to say that I do not have jurisdiction to determine, for example, what members pension arrangements should be. When I determine the timing of the further salary reviews under the Act, I will seek submissions from all interested parties.

DATED at Toronto this 5th day of September, 2003.

Consolidation of parcels, par. 1 of subs. 329 (2) of the Act

25. (1) This section applies to determine, for the purposes of paragraph 1 of subsection 329 (2) of the Act, the amount of taxes for the previous year if two or more parcels of land that were included on the assessment roll for taxation in the previous year are consolidated into one consolidated parcel on the assessment roll for the taxation year.

(2) The amount of the taxes for the previous year for the consolidated parcel is the sum of the taxes for municipal and school purposes levied on the separate parcels for the previous year if the property class in which each separate parcel was included for the previous year and the property class in which the consolidated parcel is included for the taxation year are the same.

(3) Subject to subsection (4), if two or more separate parcels were included in different property classes in the previous year to which Part IX of the Act applied and portions of the consolidated parcel are in the same property classes in the taxation year as the separate parcels, the amount of taxes for the previous year for the portion of the consolidated parcel that is in the same property class for the taxation year as the corresponding separate parcel in the previous year is the amount of taxes for municipal and school purposes levied for the previous year on the separate parcel.

(4) If any of the separate parcels was included in the subclass for vacant land for the previous year and the corresponding portion of the consolidated parcel is included for the taxation year in the subclass for excess land,

(a) the amount of the taxes for the previous year for the portion of the consolidated parcel that is included in the subclass for excess land in the taxation year is the amount of the taxes for municipal and school purposes that was levied on the separate parcel included in the subclass for vacant land for the previous year; and

subclass for excess land in the taxation year is the amount of the taxes for municipal and school purposes that was levied for the previous year on the corresponding separate parcel if it was included in the same property class in the previous year as the portion of the consolidated parcel.

(5) If two or more of the separate parcels were included in the same property class to which Part IX of the Act applied in the previous year but only a portion of the consolidated parcel is included in that property class in the taxation year, the amount of the taxes for the previous year for that portion of the consolidated parcel is the amount determined in the following manner:

1. Determine the average level of taxation of the separate parcels for the previous year.
2. Determine the tax rate levied by the municipality for the previous year on property in the same property class as that portion of the consolidated parcel.
3. Determine the assessment on the portion for the taxation year.
4. Determine the total assessment of the consolidated parcel.
5. Divide the amount determined under paragraph 3 by the amount determined under paragraph 4.
6. Determine the total assessment of the separate parcels for the previous year.
7. Multiply the quotient determined under paragraph 5 by the amount determined under paragraph 6.
8. Multiply the average level of taxation determined under paragraph 1 for the previous year by the tax rate determined under paragraph 2 for the previous year.
9. Multiply the product determined under paragraph 7 by the product determined under paragraph 8.

(6) If two or more of the separate parcels were included in different property classes to which Part IX of the Act applied in the previous year and the consolidated parcel is included in the same property class for the taxation year as one of those separate parcels, the amount of the taxes for municipal and school purposes for the consolidated parcel for the previous year is the amount determined in the following manner:

1. Determine,
 - i. the level of taxation for the previous year of the separate parcel that was included in the same property class in the previous year as the consolidated parcel, if only one separate parcel was in the same property class for the previous year as the consolidated parcel, or
 - ii. the average level of taxation for the previous year of the separate parcels that were included in the same property class in the previous year as the consolidated parcel, if more than one separate parcel was in the same property class for the previous year as the consolidated parcel.
2. Determine the sum of the assessments for the previous year of all of the separate parcels that were in different property classes for the previous year than the consolidated parcel.
3. Determine the tax rate levied by the municipality for the previous year on property in the same property class as the consolidated parcel.
4. Multiply the sum of the assessments determined under paragraph 2 by the tax rate referred to in paragraph 3.
5. Multiply the product determined under paragraph 4 by the lesser of,
 - i. 1.00, and
 - ii. the level of taxation or average level of taxation for the previous year determined under paragraph 1.
6. Add the product determined under paragraph 5 to the taxes determined for the previous year under section 329, 330 or 331 of the Act for all of the separate parcels that were included in the same property class in the previous year as the consolidated parcel.

(7) The amount of taxes for municipal and school purposes of the consolidated parcel for the previous year is the amount determined under subsection (8) if,

- (a) two or more of the separate parcels that were consolidated for the taxation year were included in different property classes for the previous year;
- (b) not all of the separate parcels that were consolidated were included in property classes that were subject to Part IX of the Act for the previous year;
- (c) the consolidated parcel is included in a single property class that is subject to Part IX of the Act for the taxation year; and

- (d) the property class in which the consolidated parcel is included for the taxation year is the same as the property class in which one of the separate parcels was included in the previous year.
- (8) For the purposes of subsection (7), the amount is determined as follows:
 1. Determine,
 - i. the level of taxation for the previous year of the separate parcel that was included in the same property class in the previous year as the consolidated parcel, if only one separate parcel was in the same property class for the previous year as the consolidated parcel, or
 - ii. the average level of taxation for the previous year of the separate parcels that were included in the same property class in the previous year as the consolidated parcel, if more than one separate parcel was in the same property class for the previous year as the consolidated parcel.
 2. Determine the sum of the assessments for the previous year of all separate parcels that were included in property classes that were not subject to Part IX of the Act.
 3. Determine the tax rate levied by the municipality for the previous year on property in the same property class as the consolidated parcel.
 4. Multiply the sum of the assessments determined under paragraph 2 by the tax rate referred to in paragraph 3.
 5. Multiply the product determined under paragraph 4 by the lesser of,
 - i. 1.00, and
 - ii. the level of taxation or average level of taxation for the previous year determined under paragraph 1.
 6. Add the product determined under paragraph 5 to the taxes determined for the previous year under section 329, 330 or 331 of the Act for all of the separate parcels that were in the same property class in the previous year as the consolidated parcel.

Severance or subdivision of land, par. 1 of subs. 329 (2) of the Act

26. (1) This section applies in determining the amount of taxes for the previous year for a severed parcel for the purposes of paragraph 1 of subsection 329 (2) of the Act.

(2) The amount of the taxes for municipal and school purposes for the previous year for a severed parcel that is in the same property class in the taxation year as the property class in which the original parcel was included for the previous year is the amount determined in the following manner, if the original parcel was not included in the previous year in the subclass for vacant land:

1. Determine the taxes for municipal and school purposes for the original parcel for the previous year under section 329, 330 or 331 of the Act.
2. Determine the ratio of the assessment for the taxation year of each severed parcel that is in the same class as the original parcel to the total assessment of the severed parcels for the taxation year.
3. Multiply the amount of taxes determined under paragraph 1 by the ratio determined under paragraph 2.

(3) If a portion of the original parcel was included in the subclass for excess land for the previous year, the taxes for municipal and school purposes for the previous year for a severed parcel that is not in the subclass for vacant land for the taxation year and that is in the same property class as the corresponding portion of the original parcel that was not included in the subclass for excess land for the previous year is the amount of taxes levied on the corresponding portion of the original parcel in the previous year.

(4) If the original parcel contains portions that are in different property classes to which Part IX of the Act applied and the severed parcels are contained in the same property class as a portion of the original parcel, the taxes for municipal and school taxes for the previous year for the severed parcel is the amount of the taxes levied on the corresponding portion of the original parcel.

Portion of parcel in same property class as original parcel

27. (1) The section applies to a portion of a parcel of land if,
 - (a) the parcel of land was in a single property class that was subject to Part IX of the Act in the previous year; and
 - (b) the parcel of land is apportioned into more than one property class for the taxation year and the portion of the parcel is in the same class as the classification of the parcel from the previous taxation year.
- (2) The taxes for the previous year for the portion of the parcel of land shall be determined in the following manner:
 1. Determine the taxes for the original parcel for the previous year under section 329, 330 or 331 of the Act.

for the taxation year to the total assessment of the parcel for the taxation year.

3. Multiply the amount of taxes determined under paragraph 1 by the ratio determined under paragraph 2.

Change in proportions of parcel in different property classes

28. (1) This section applies to a parcel that satisfies the following conditions:

1. Portions of the parcel were included in different property classes for the previous year.
2. Portions of the parcel are included in the same property classes for the taxation year and not in any other property class.
3. The proportion of the assessment of each portion of the parcel in a property class has changed between the previous year and the taxation year.
4. The change in the assessment for each portion of the parcel included in a property class for the taxation year is due only to a change in the proportion of the parcel included in each of the property classes, as a result of a change event described in clause (a) of the definition of "change event" in subsection 34 (2.2) of the *Assessment Act*.

(2) The amount of taxes for municipal and school purposes for the previous year for the purposes of paragraph 1 of subsection 329 (2) of the Act for each portion of the parcel whose assessment increased between the previous year and the taxation year is determined as follows:

1. Determine the amount of taxes that were levied on the portion of the property for the previous year under section 329, 330 or 331 of the Act.
2. Determine the amount of taxes that would have been levied on the portion of the property for the previous year but for the application of Part IX of the Act.
3. Divide the amount determined under paragraph 1 by the amount determined under paragraph 2.
4. Determine the assessment of the portion of the property on the assessment roll for the taxation year.
5. Determine the total assessment of the property on the assessment roll for the taxation year.
6. Divide the amount determined under paragraph 4 by the amount determined under paragraph 5.
7. Multiply the quotient determined under paragraph 6 by the total assessment of the property on the assessment roll for the previous year.
8. Determine the amount of taxes that would have been levied in the previous year on the assessment amount determined under paragraph 7 but for the application of Part IX of the Act.
9. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 8.
10. Multiply the remainder determined under paragraph 9 by the lesser of,
 - i. the quotient determined under paragraph 3, and
 - ii. 1.0.
11. Add the product determined under paragraph 10 to the amount determined under paragraph 1.

(3) The taxes for municipal and school purposes for the previous year for the purposes of paragraph 1 of subsection 329 (2) of the Act for each portion of the parcel whose assessment decreased between the previous year and the taxation year is determined as follows:

1. Determine the assessment of the portion of the property on the assessment roll for the taxation year.
2. Determine the total assessment of the property on the assessment roll for the taxation year.
3. Divide the amount determined under paragraph 1 by the amount determined under paragraph 2.
4. Multiply the quotient determined under paragraph 3 by the total assessment of the property on the assessment roll for the previous year.
5. Determine under section 329, 330 or 331 of the Act the amount of taxes that would have been levied for the previous year on the assessment amount determined under paragraph 4.

Change in tax exempt portion of a parcel

29. (1) This section applies if the portion of a parcel of land that is exempt from taxes for municipal and school purposes changes between the previous year and the taxation year and the change is due only to a change in the proportion of the parcel that is entitled to the exemption.

(2) The amount of taxes for municipal and school purposes for the previous year for the taxable portion of the parcel for the purposes of paragraph 1 of subsection 329 (2) of the Act is determined as follows:

1. If the assessment of the taxable portion of the parcel increased between the previous year and the taxation year, the amount of the taxes for municipal and school purposes for the previous year for that portion is the amount that would be determined in respect of the portion of the parcel under subsection 28 (2).
2. If the assessment of the taxable portion of the parcel decreased between the previous year and the taxation year, the amount of the taxes for municipal and school purposes for the previous year for that portion is the amount that would be determined in respect of the portion of the parcel under subsection 28 (3).

Change in subclass assessment of a property

30. (1) This section applies if,

- (a) the proportion of the assessment on the portion of a property that is in a subclass for excess land, if any, changes between the previous year and the taxation year; and
- (b) the change in the assessment referred to in clause (a) results from the application of municipal requirements for any development on the property.

(2) The amount of taxes for the previous year for the purposes of paragraph 1 of subsection 329 (2) of the Act for the portion of the property that is not in a subclass for excess land is determined as follows:

1. Determine the assessment of the portion of the property that is not in a subclass for excess land for the taxation year.
2. Determine the total assessment of the property for the taxation year.

 - iii. the tax rate determined under paragraph 4, and
 - iv. the level of taxation determined under paragraph 5.

(3) The amount of taxes for the previous year for the purposes of paragraph 1 of subsection 329 (2) of the Act for the portion of the property that is in a subclass for excess land is determined as follows:

1. Determine the assessment of the portion of the property that is in a subclass for excess land for the taxation year.
2. Determine the total assessment of the property for the taxation year.
3. Determine the total assessment of the property for the previous year.
4. Determine the applicable tax rate in the municipality for the previous year for the subclass for excess land.
